CHANGE YOUR LIFE

THINK YOURSELF THIN... VIRTUAL GASTRIC BAND HYPNOTHERAPY

*Transform your life with Virtual Gastric Band Hypnotherapy!
Achieve your weight loss goals without surgery. Our expert
hypnotherapy guides you through a safe and relaxing session.
You feel full faster, control food craving & eat much less.*

- 1-2-1 HYPNOTHERAPY SESSION WITH DEEP TRANCE
- 50 MINUTE VIRTUAL PROCEDURE
- VIRTUAL 'PRIVATE HOSPITAL'
- ABSOLUTELY NO PAIN
- ENJOYABLE EXPERIENCE
- 100% SUCCESSFUL PROCEDURE

After the Virtual Gastric Band procedure, your mind will perceive your stomach as the size of a golf ball or an egg. This powerful psychological shift promotes satiety with smaller portions, helping you naturally control your appetite and achieve weight loss. Harness the power of your mind for lasting, healthy change.

ADVANTAGES

Non-invasive, cost-effective, and free from the complications associated with surgery, Achieve your weight loss goals without feeling the need to diet.

SUCCESS RATES

Studies show success rates as high as 95% in terms of weight loss.

LONG-TERM

Participants continue to lose weight or maintain their weight loss after the hypnotherapy sessions have ended.
